Child CPR course slated

Virginia Baptist Hospital in cooperation with the American Heart Association is sponsoring a class in infant/child CPR and first aid for choking.

The technique of cardiopulmonary resuscitation taught in the class is used on children from infancy to eight years of age.

The class will help you learn how to deal with life-threatening emergencies such as choking, near-drowning, poisoning, smoke inhalation, sudden infant death syndrome (SIDS) and respiratory illnesses. In addition, the class will emphasize how to prevent many of these accidents.

Beginning Dec. 10, the class is offered the second Monday of every month from 7 to 9 p.m. in the department of education at Virginia Baptist Hospital. Instructors are certified by the American Heart Association in basic cardiac life support and are staff members in the department of education at Virginia Baptist.

Cost is $5 per person payable the evening of the class. Because class size is limited to five students per instructor, pre-registration is required.

To register or for more information, call the department of education at Virginia Baptist Hospital, 522-4563.

MEMBERS OF BOY SCOUT TROOP 548 in Appomattox have been busy recently working on a project to benefit area underprivileged children. The Scouts have taken old toys, cleaned them and refurbished them for distribution to area needy children as Christmas presents. Troop members have worked on the project during their meetings at St. Anne's Episcopal Church.
